Years in Production

Eleven years of commercial, documentary and institutional film — from the ICC Prosecutor’s visit to Sudan to a sit-in in Khartoum to a stage in Abu Dhabi. I direct, shoot, cut, grade and finish. Every figure above is verifiable at alnimeri.com, where each film links to its published source.

EXPERIENCE

SEQ 2026 · TRT 42:18 · 24 FPS

Nov 2025 – Present 1000media · Nas Company Dubai, UAE	Associate Creative Director Direct, shoot and cut film for Solana across every channel. • Work across digital, offline and on-ground output, partnering with the data, CRM, experience-design and media teams. • Keep output consistent and on-tone across Solana's social platforms. • Run day-to-day production: research, ideation, visual direction on client briefs. • Deliver seasonal campaign films across multiple markets, cut and optimised on performance data.
Aug 2023 – Nov 2025 1000media · Nas Company Dubai, UAE	Senior Videographer & Video Editor Led technical video content for Solana, ideation through final delivery. • Built creative briefs, shot lists and production plans; supervised and gave feedback to other video creators. • Shot, edited, graded, sound-designed and animated; optimised output per platform within brand guidelines. • Delivered 66 published films for Solana, averaging roughly 343,000 views each.
Sep 2020 – Apr 2023 Bianca Films Khartoum, Sudan	Senior Videographer & Video Editor FREELANCE • Led the production team across numerous projects from concept to delivery, pairing storytelling with technical execution.
Oct 2022 – Apr 2023 AMD Marketing Agency Khartoum, Sudan	Social Media Video Creator FREELANCE • Produced interviews, event coverage and promotional film for a range of clients, owning filming and editing end to end.
May 2020 – May 2022 Compass Creative Productions Kigali · Remote	Editor FREELANCE • Two years of contract post-production for the studio's clients.
Nov 2017 – Oct 2019 NileZaal Media Productions Khartoum, Sudan	Video Editor & Videographer • Cut commercials, promos and event films for a broad client list. • Expanded into field videography, shooting on camera and drone to raise production value.
