

Ahmed El-Nimeri

Associate Creative Director

ahmed@alnimeri.com · alnimeri.com · Dubai, UAE · English & Arabic
linkedin.com/in/ahmedalnimeri · vimeo.com/nimeri · instagram.com/by_nimeri

Eleven years across commercial, documentary and institutional work — from the ICC Prosecutor's visit to Sudan to a sit-in in Khartoum to a stage in Abu Dhabi. I direct, shoot, cut, grade and finish.

COMMISSIONED BY

Solana · Nas Company · International Criminal Court · European Union · Al Jazeera · TED · DP World · CTC Group · Landell Mills

EXPERIENCE

Associate Creative Director

Nov 2025 — Present

1000media · Nas Company · Dubai, UAE

Direct, shoot and cut film for Solana across every channel.

- Work across digital, offline and on-ground output, partnering with the data, CRM, experience-design and media teams.
- Keep output consistent and on-tone across Solana's social platforms.
- Run day-to-day production: research, ideation, visual direction on client briefs.
- Deliver seasonal campaign films across multiple markets, cut and optimised on performance data.
- Support other video creators on the team, and own project and traffic management for my own work.

Senior Videographer & Video Editor

Aug 2023 — Nov 2025

1000media · Nas Company · Dubai, UAE

Led technical video content for Solana, ideation through final delivery.

- Built creative briefs, shot lists and production plans; supervised and gave feedback to other video creators.
- Shot, edited, graded, sound-designed and animated; optimised output per platform within brand guidelines.
- Delivered 66 published films for Solana, averaging roughly 339,000 views each.

Senior Videographer & Video Editor · Freelance

Sep 2020 — Apr 2023

Bianca Films · Khartoum, Sudan

- Led the production team across numerous projects from concept to delivery, pairing storytelling with technical execution.

Social Media Video Creator · Freelance

Oct 2022 — Apr 2023

AMD Marketing Agency · Khartoum, Sudan

- Produced interviews, event coverage and promotional film for a range of clients, owning filming and editing end to end.

Editor · Freelance

May 2020 — May 2022

Compass Creative Productions · Kigali · Remote

- Two years of contract post-production for the studio's clients.

Video Editor & Videographer

Nov 2017 — Oct 2019

NileZoal Media Productions · Khartoum, Sudan

- Cut commercials, promos and event films for a broad client list.
- Expanded into field videography, shooting on camera and drone to raise production value.

SELECTED PROJECTS

- Eight Days of Sudan** · Personal — Instagram · 19,800 likes across the series 2026
Eight daily carousels, a hundred-plus frames, made with Midjourney and ChatGPT and posted labeled as AI — the Jirtig, the Women, the Nile, Home, the Neighbourhood, Sudan in Motion, the Uni. The country as it is lived, not as it is reported.
- Solana Accelerate** · Solana · 1.4M views on X 2025
Edited a 1:18 campaign film promoting Solana Accelerate, published on Solana's own X account.
- Sugar vs Jaggery** · FITTR · 12.8M views on Instagram 2024
A 19-second explainer on sugar versus jaggery.
- ICC Prosecutor Karim Khan Visit** · International Criminal Court 2022
Documented a historic ICC visit to Sudan; delivered film and photography for social, web and press.
- European Union Media Coverage** · Landell Mills 2021 — 2023
Video and photography documenting EU initiatives in Sudan, working directly with EU representatives.
- Sudan Stories** · Al Jazeera Mubasher 2019
Ran a video series end to end — sourcing interviewees, filming, editing — delivered to headquarters in Doha.
- Corporate Video Series** · CTC Group 2019
Multi-brand corporate films for television, social and web.

CRAFT

Storytelling	Narrative structure · Story development · Interviewing · Scripting · Documentary · Brand storytelling
Creative leadership	Creative direction · Brand storytelling · Content strategy · Campaign management · Team leadership · Project & traffic management
Production	Directing · Cinematography · Editorial · Motion graphics · Colour grading · Sound design
Social & growth	Social strategy · Community management · Performance marketing · Social listening · Market analysis
Tools	Premiere Pro · After Effects · DaVinci Resolve · Photoshop
AI & automation	AI-agent content pipelines · Automated multi-channel publishing · AI video tooling · Workflow automation
Languages	English — full professional · Arabic — native

EDUCATION & BEYOND

BSc (Hons) Information Technology

University of Khartoum · Faculty of Mathematical Sciences and Informatics

The engineering half of how I work — it is why the automation pipelines exist alongside the films.

Volunteer & independent
